Extramural Service

Chair of AOS Early Professionals Committee Spring 2018 – Present
Contributed and voted on proposals to update and improve the taxonomy and nomenclature of North American birds.

Member of AOS North American Classification Committee (NACC) Summer 2019 – Present
Organize events, seminars, and workshops geared toward promoting Early Professional development in the American Ornithological Society.

Member of AOS Scientific Program Committee Spring 2018 – Present
Helped develop schedule and organize concurrent sessions for annual AOS meeting.

Member of AOS Collections Committee Fall 2014 – Present
Supported the museum-based ornithology community by organizing workshops at annual meetings; advancing biodiversity informatics; and assisting ornithologist with issues concerning IACUC, import/export, and Federal agency policies.

Member of AOS Membership Committee Fall 2015 – Present
Revise AOS strategy and policy to build and maintain society membership and promote ornithology in North America.

Member of AOS Meeting Continuity Committee Spring 2017 – Summer 2019
Promote continuity of organizational efforts among annual ornithology conferences, including symposia and plenary speakers, local logistical efforts, and maintain institutional knowledge

Co-chair of AOS Student Systematics Group Spring 2015 – Spring 2018
Prepare 4–5 proposals annually for submission to the AOU Checklist Committee. Recruit new student members and coordinate efforts to revise avian taxonomy in North America.

Member of AOS Early-career Professionals Committee Fall 2017 – Spring 2018
Organize events and initiatives to promote professional development of early-career academics and non-academic professionals in ornithology.

Chair of AOS Student Affairs Committee Fall 2013 – Fall 2017
Chaired the AOS student affairs committee by managing a budget. Oversaw organization and logistics of student events, including professional development workshops, the Quiz Bowl, student-professional mixers, and silent auctions to raise funds for the AOS.
